

PLEASE ALLOW AMPLE TIME FOR EARLY MORNING WORKSHOPS

We're delighted that you are joining us at **The World MoneyShow**. As always in Florida, we expect record crowds. Please review the parking procedures and bring this information and map with you.

The Gaylord Palms Hotel & Convention Center is a big place with plenty of parking. There will be additional MoneyShow signs and traffic control personnel to expedite the crowds. Below is a map showing the entrances to the hotel and the convention center. As you can see, parking areas surround the hotel and convention center. Please jot down your parking location, so you can find your car easily at the end of each day.

PLEASE NOTE THE PARKING FEES!

If you are staying at the hotel, please follow the signs to the main hotel entrance to check in. You will then be directed to either self-park or you can have your vehicle valet parked. Overnight valet parking is \$20 plus tax per day or \$12 plus tax per day self-park. This charge will be billed to your room and allows for in and out privileges.

If you are NOT staying at the hotel and plan to drive in each day, but wish to valet park, please follow the main hotel entrance/valet signs. The \$20 plus tax per day valet parking fee must be paid to the valet attendant prior to retrieval of your vehicle. These fees are payable whether you stay the entire day or only a few hours and does not allow for in/out privileges. For those self-parking, a \$12 plus tax per day self-parking fee will be collected as you exit the parking lot. These fees are payable whether you stay the entire day or only a few hours and does not allow for in/out privileges. **RVs will not be allowed in the hotel parking lots during The World MoneyShow.** Hotel staff will direct RVs to a designated RV parking lot; the \$12 plus tax per day parking fee will still apply.

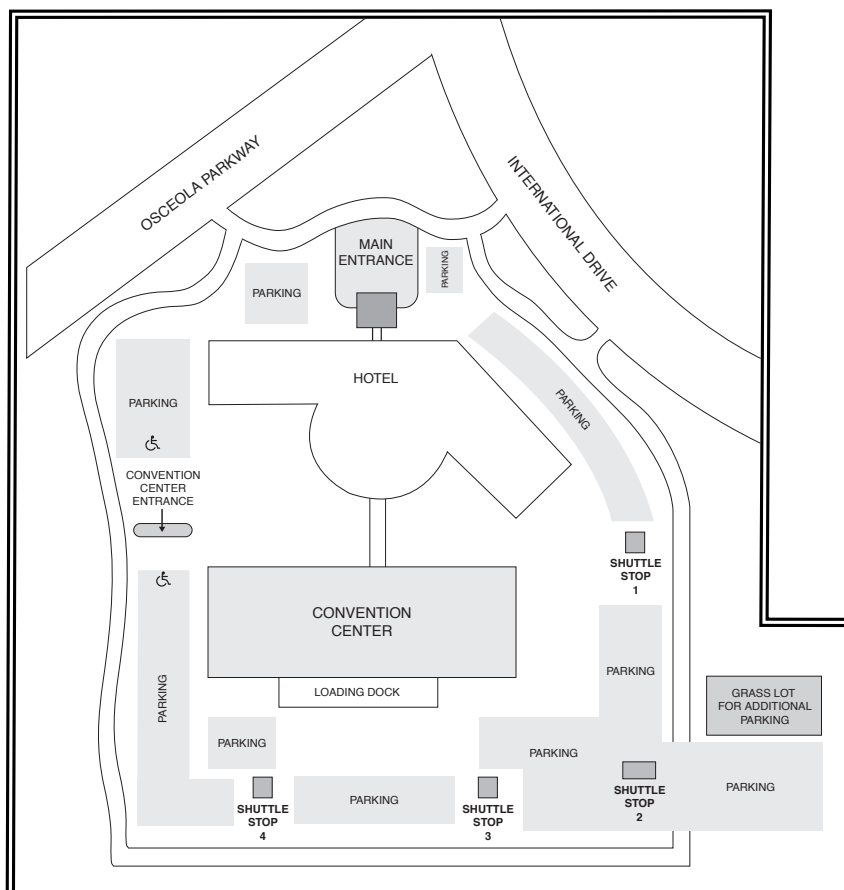

If you are not staying at the hotel you may also choose to purchase a multi-day parking pass for \$17 plus tax per day, which allows in/out privileges. Please see the Town Park attendant located by the Attendee Registration Desk in the Convention Center—cash or credit card payment only. This does not guarantee a parking place at the hotel. The hours to purchase this are: February 3 – 8:00 am–4:00 pm; February 4 – 7:30 am–2:30 pm. After hours you may purchase your pass at the hotel valet, located at the main entrance to the hotel.

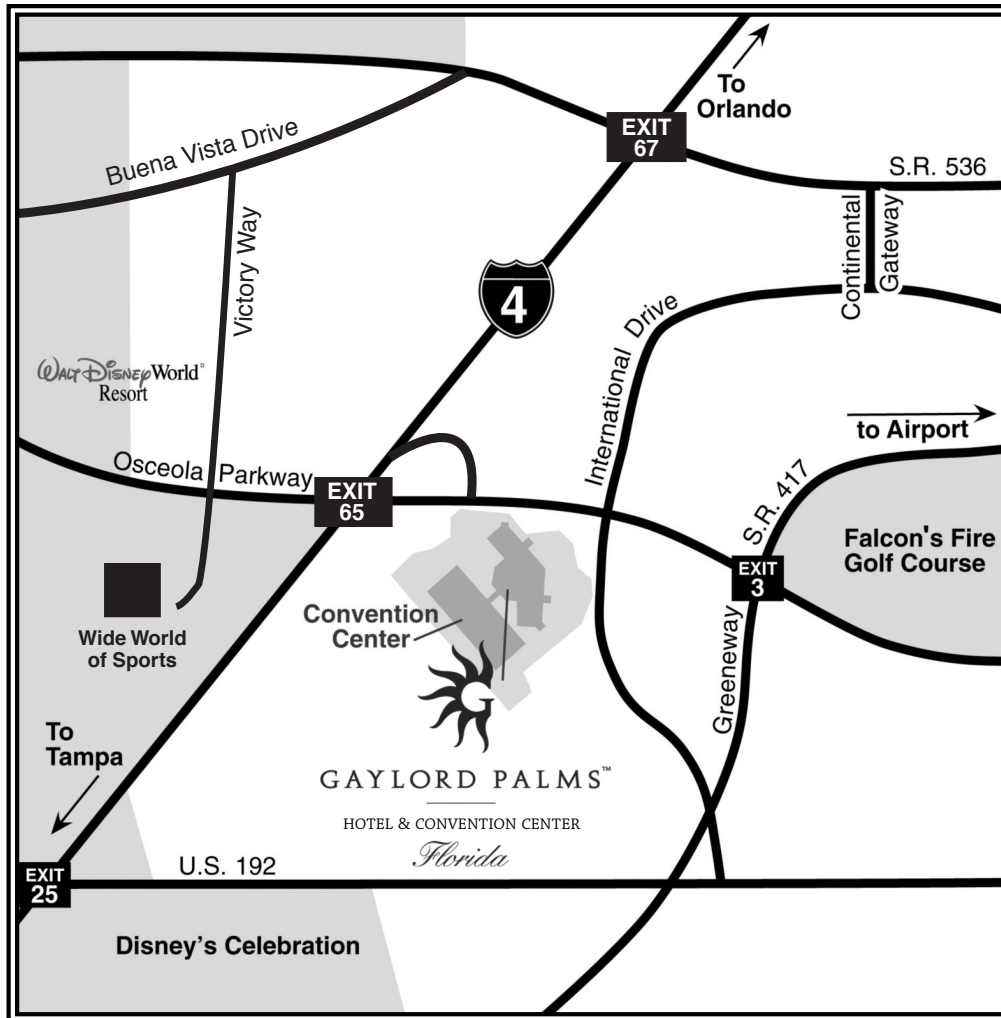

If you have a valid state-issued handicapped parking permit displayed prominently on your rearview mirror or license plate, you will be allowed to park in any available designated handicap spaces marked on this map.

If you are directed to an area out of easy walking distance, please park your vehicle and proceed to a shuttle pick-up area shown on the map below. Watch for **MoneyShow Shuttle Pick-Up** signs marking each shuttle stop. The shuttle will drop you off at the main entrance to the convention center. Shuttles will run continuously during the Show—until the last event of each day is over—from the main convention center entrance to various shuttle stops marked on this map.

If you are flying in, we suggest that you use the Mears shuttle to the hotel at \$33 (adult) and \$26 (child, 3-11 yrs.) per round-trip. One-way trip is \$20 (adult) and \$16 (child, 3-11 yrs.). Mears' office is located in the baggage claim area of the Orlando International Airport. Taxi from the Orlando International Airport to the Gaylord Palms Resort is approximately \$55-60.

Complimentary transportation to Disney theme parks is available to all guests staying at the Gaylord Palms Hotel, so you may find that a rental car is not necessary.
