**FINANCIAL JOURNALIST KEVIN MCQUAID JOINS
MONEYSHOW.COM AS GLOBAL EDITOR**

New Editor to Oversee Expansion of MoneyShow.com's Global Investing Section

SARASOTA, FL, November 2, 2007 – MoneyShow.com, the most comprehensive multimedia investment education destination for investors, traders, and financial advisors announced today that it has named Kevin McQuaid as its global editor. Mr. McQuaid will assist in directing and editing of the Global Investing section on MoneyShow.com.

The newly expanded section will include a regular commentary on the global markets, along with specific financial market information on leading markets such as the United Kingdom, Hong Kong, China, India, Japan, Canada, Australia, Brazil, Russia, and South Korea.

“The addition of Kevin McQuaid, a highly regarded financial journalist, illustrates our commitment to expand MoneyShow.com’s coverage of global investing,” said Howard Gold, editor-in-chief of MoneyShow.com. “Clearly, the world has become a smaller place and sophisticated investors recognize the need to tap into markets beyond the U.S. capital markets. This section will provide investors, traders, and financial advisors with the resources to learn more about international investment opportunities.”

The Global Investing Section will feature pages on major countries and regions, which will allow users to gain access to the best commentary about those markets—some of it from each country’s leading writers and publications; videos and Webcasts about those markets; key economic and market data; ways for users to discuss current market conditions, and specific vehicles through which U.S. investors can participate in those markets.

“I am delighted to join MoneyShow.com’s editorial staff and look forward to growing the Global Investing section of the Web site,” said Mr. McQuaid. “I am confident MoneyShow.com subscribers will find the expanded section as a critical resource in making smarter global investment decisions.”

Mr. McQuaid joins MoneyShow.com with two decades of financial journalism experience. His articles have appeared in *The Baltimore Sun*, *The Washington Post*, *The Hartford Courant*, and *The Sarasota Herald-Tribune*, where he was a business and local news reporter for the past eight years.

During his 20 years in journalism, Mr. McQuaid wrote extensively about macro-economic trends, real estate, international development, manufacturing, banking, and other business topics.

About MoneyShow.com

[MoneyShow.com](#) is the most comprehensive investing education destination on the Web today. It offers free membership and provides 24-hour access to powerful, profitable, and actionable investment advice directly from Wall Street and trading experts; hundreds of hours of investing education targeting investors, traders, or financial advisors; and customized content by searching topics, experts, and companies specific to investors’ portfolio needs.

About InterShow
